MISSISSAUGA YOUTH SYMPHONY ORCHESTRA

ABOUT THE MSO

The Mississauga Symphony Orchestra is recognized as Canada's leading hybrid orchestra, combining professional musicians with highly skilled amateurs. Under the direction of Maestro Denis Mastromonaco, the MSO presents ambitious and engaging programs performed to the highest artistic standards. Since welcoming the Mississauga Symphony Youth Orchestra in 2014, the organization has become the cornerstone of classical music in Mississauga, rooted in music education, performance, and community engagement.

2025/26 Concert Season

THE MSO EXPERIENCE

Under the banner of **The MSO Experience**, our 2025-26 concert season offers soul-stirring music, powerful performances, and opportunities to experience communal moments of joy.

Our **Masterworks** series highlights the depth and brilliance of symphonic music with landmark works such as Beethoven's **Pastoral Symphony**, Ravel's **Pictures at an Exhibition**, Sibelius's **First Symphony**, and Mahler's monumental **Symphony No. 5**. We continue our beloved **Holiday** series with **A Merry Little Christmas**—a heartwarming, festive tradition that is perfect for friends and family.

This year's **Pops** series brings two outstanding guest ensembles to the stage: the virtuosic and thoroughly entertaining **Quartetto Gelato**, and **Brass Transit**—the world's leading tribute to the legendary band, Chicago. Not to be outdone, the incredible musicians of the **MSYO** will perform a season of blockbuster works such as Dvořák's **Symphony No. 8**, and Tchaikovsky's electrifying **Symphony No. 4**.

Join us in the Living Arts Centre and experience the thrill, the wonder, and the communal connection that only live music can offer.

I look forward to welcoming you to the hall!

The background of the poster is a vertical rectangular image. It features a dark, starry night sky with a vibrant green and blue aurora borealis (Northern Lights) display. In the foreground, a snow-covered mountain range is visible, with a small, cozy log cabin nestled in a snowy clearing. The cabin has a snow-laden roof and several windows that are glowing with a warm, yellow light. The overall scene is serene and evokes a sense of winter wonder. Overlaid on the sky and mountains are several horizontal lines of musical notation, including staves with notes and treble clefs, suggesting a musical theme. The text is positioned in the upper left and lower left areas of the image.
